## Humans in Space: *Challenges*

Instructions: Please record various challenges for humans in space throughout the lesson.

| Challenges | Notes |
|------------|-------|
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
|            |       |
